This Information Disclosure Statement is filed in accordance with 37 C.F.R. §1.97, and this statement shall not be construed as a representation that a search was made, has been made, or that the information cited above is, or is considered to be, material to patentability as defined in §1.56(b), or that no other material information, as defined in 37 C.F.R. §1.56(b), exists. A copy of each listed patent or publication or other item of information in written form, or of at least the portions thereof listed above, is filed with this Information Disclosure Statement. If two or more patents or publications are considered substantially cumulative, a copy of a representative one is included with this statement and others are merely listed above. Translations of the pertinent portions of foreign language patents or publications listed above are supplied if existing translations are readily available to the applicant or the applicant's attorney. A concise explanation of the relevance, as it is presently understood by the individual designated in 37 CFR §1.56(c) most knowledgeable about the content of the information, of each patent, publication, or other information listed that is not in the English language is provided either in the patent specification or in the enclosed attachment.

Respectfully submitted,

Fleit, Kain, Gibbons, Gutman, Bongini & Bianco, P.L.
